Share YOUR Thoughts & Ideas! Hear How From Proven Leaders

**Dr. Mike Chang San Leandro** Over our 2 decades of working together, this outstanding clinician & practice manager has grown his one-office EAST BAY location from as low as 19 new patients a month & \$181,000/month production...to recently 193 new patients per month & a (projected) \$1.3 million this month. He will share his thoughts on practice organization, the process of growing & prospering while out of the chair...& much more!

**Dr. Hibret Benjamin San Francisco** Located in a tall building...at the north end of San Francisco...Dr. Benjamin's amazing office has absolutely no visibility...but just look at what she & her team have accomplished! While her new patient count was at 6 per month & production \$58,000 per month not that long ago...after chrisad she is now producing up to \$387,000 per month with 113 new patients per month. She'll discuss how she blew out the walls of her once 3-operatory facility to add operatories...& now is looking for even more room! You can't miss hearing her!

**Sheela Roth Office Manager Penrod Dental Care Rancho Santa Margarita, CA**

This outstanding once chrisad "SCRATCH" practice has worked alongside of chrisad for nearly two decades. Regularly & rapidly growing, Sheela will review how they've expanded & maximized their hygiene department...recently adding a number of operatories...starting from \$0 & recently producing **\$700,000 a month**...now out of 15 chairs.

**Dr. Nate Schott 5 Offices Nashville Area** This extraordinary practitioner grew his practice to **\$20 Million per year with 1,000 new patients per month while he was 100% AWAY FROM THE CHAIR**...traveling & relaxing. He will explain basic steps as to why you would **NEVER NEED to SELL YOUR PRACTICE**...& how to enjoyably manage your practice for always increasing income while away. He has helped guide hundreds of practitioners to higher levels of prosperity...& can help you as well!

**John Christensen, MS Founder & CEO, chrisad Corte Madera, CA** Chrisad's approximately 1,500 clients grew by approx. **\$420 MILLION in 2023 v 2022!** He has cared for **California dental clients** since 1980. Based on **4+ DECADES** of EXTENSIVE & CONTINUAL dental practice & dental patient-consumer research & data...& more in-person visits to practices than anyone in the world...John has **DIRECTED MORE EXTRAORDINARY & ENJOYABLE practice growth**...while **GUIDING MORE DESERVING DDS OUT OF THE CHAIR** (when they want!)...while **INCREASING THEIR PERSONAL INCOME**...than anyone in the world.
